Note 1: Votes are noted as (Motion by, Second by, All) if the vote is unanimous followed by the time.

Note 2: See the attached page "BCCC Membership" for department names abbreviated below.

Note 3: The digital recorder failed to record again even after testing before the meeting. A new recorder will be obtained for the next meeting. Because of this recorder failure, no time of vote is provided and these Minutes are based on hand notes taken during the meeting.

2. Review and approval of March 20, 2014 meeting minutes.(TG, TR, All)

3. Administration: The Chair accepted notification (see Exhibits) that William Miller has been designated to replace Richard Ness for DHCD until further notice and that Beth McLaughlin has been designated to replace John Rogers for BPRS for this meeting.

4. Old Business:

- a. **271 CMR, The 2012 Massachusetts Uniform Sheet Metal Code.** Review and approval.
 - i. DPL's Summary Statement to BCCC, file received 4/3/14.
 - ii. 271 CMR Chapters 1-5 and 7-9, files received 4/3/14.
 - iii. 271 Chapter 6: adoption of the Uniform Mechanical Code (table of contents, chapters 1-8 and appendix), files received 4/3/14.

TG submitted a memo to BCCC from DPS entitled *Failure to resolve conflict and duplication between proposed 271 CMR and 780 CMR*, dated April 17, 2014, noting DPS cannot support approval of the Sheet Metal Board (SMB) proposals and suggesting BCCC table this item to give the SMB more time to resolve the outstanding issues noted by DPS. IF and TR also noted that more time was needed to review the materials submitted and to resolve potential EOEEA and DFS issues. A motion was made to table this item until the SMB ready to address all these concerns. (TG, TH, All except PK and TL)

b. **105 CMR 410, Sanitary Code.** Remove from agenda.

- i. Overall revisions by DPH, initially presented October 2012, tabled with understanding that issues to be worked out before further consideration. DPH withdrew from August 2013 agenda. DPH requested removing this item from the BCCC agenda on March 13, 2014.

After a brief discussion a motion was made to accept the removal of this item from the agenda with the understanding that DPH will come back to the BCCC before promulgating code changes to 105 CMR 410. (TG, TH, All except TL)

5. New Business: *None*

6. Other matters not received 14-days before this meeting.

TR noted DFS will submit at the next meeting any substantial comments received during the public hearing process regarding 527 CMR that may need BCCC review.
